

Want to play an England U12 Team Chess player?

Well, here I am! Appearing in the **Chalfont St Peter Community Library**. Every **Saturday 11:00-13:00**.

You can play against one of Britain's top U12 Chess players. Yes, I am only 11 years old.

All strengths are welcome to play me, whether you are a master or an amateur. I am trying to encourage more people to start playing this beautiful game which is **very beneficial for your brain and mathematical skills**.

All donations go towards funding international chess trips around the world.

Thank you for reading this and hopefully you can play me soon!

Arthur
